COLOUR INDICATIONS

Colour indications may vary from actual production standards. Where colour matching is critical, an applied sample is recommended. Custom colors and colour matching are available at an additional cost. Additional lead times are required for custom colour matching..

Our technical staff, in conjunction with one of our network of applicators would welcome the opportunity to inspect your floor and to assist with the design of a suitable Sika Flooring System, tailored to your needs. For further information, please contact your nearest Sika office.
